

Summer Field Trips!

Little V.I.P.'S is planning our summer field trips. Below is a list of the different trips we will be taking; 2 to Camden County College to see their "Mainstage Summer Stage" plays and 1 day trip to Bounce U. We will be transporting all the children by buses to these events. Please check off below which trips your child will be attending. The trip prices are listed next to each trip so please make the correct payments. You can pay for all of the trips your child will be going on in one lump sum up front; or you can pay per trip. *However if you are paying per trip, you must pay for the trip by the Thursday before the trip so that we have the proper headcount and payment a week in advance.* Also, because the tickets are so limited we cannot invite parents to attend these trips. Permission slips **must be returned by Monday July 17th** in order for your child to attend these trips. Thank you.

_____ Thursday July 20st: *The Lion King - Play* (\$13.00)

_____ Thursday July 27th: *Elf!- Play* (\$13.00)

_____ Tuesday August 15th: *Bounce U! - includes lunch* (\$15.00)

_____ Check for permission to walk to Wish Upon a Star Park in Barrington on park days
(no cost, weather permitting)

_____ My child _____ has permission to ride the busses and attend the field trips that I have selected above

_____ My child _____ ***DOES NOT*** have permission to ride the busses and will not attend the field trips, I also understand that I need to find alternative childcare for these dates.
